### OUR SUSTAINABILITY FOCUS

**Meats:** All our meats are free-range and sourced from local and ethical producers who take the utmost care in making sure you only eat the best. Suppliers include: *MeatSmith, Flinders Island* and *Cape Grim*.

**Eggs:** We use *Real Eggs* from Daylesford, Victoria – the ultimate free-range farm with less than eight chooks per hectare.

**Biowaste:** Have you seen the veggie patch next door? All our kitchen biowaste and coffee grounds go to FareShare Community Garden and into their compost system.

**Straws:** We say no to plastic straws. But if you must, we offer biodegradable and compostable straws.

**Menus:** This menu is made from 100% recycled material and will be recycled again.

**Coffee Cups:** *PlanetWare* provides us with biodegradable cups and lids. If you want one to keep, you can buy an original and reusable *Jr Morse Rubber Cuppy* for \$20
